— Lynn —

Congratulations on finally making it through the innumerable time-some years of primary and secondary cramming and guessing. No more sweating to get to class on time or groping to get your homework done in time; all over until next year when you enter for the first time the hallowed portals of college; that great American institution into which flows America's youth, and from which trickles the great scholars of the nation. (All the hippies and truck-drivers pour out after the first semester.) Or all seriosity, though Lynn, wherever you choose to go or whatever you choose to do now that you've bailed out of school and into the clutches of civilization (I'm positive that you'll get the best of everything (and you'll deserve every bit of it) keep your Radiating personality and you'd always be as a little ray of sun

Class advisor, Mr. Robert Hursh, meets with freshman class officers Don Siababa, vice-president, Myrna Abaya, treasurer, Delia Nerez, secretary, and Manuel Castro, president.

REMEMBER WHEN YOU WERE ALMOST A FRESHMEN?

During their first year at Alisal High, the freshman class has been occupied with adjusting to high school life — the demands and responsibilities — and enjoying its social life — the dances and games.

Under the guidance of their class advisor, Mr. Robert Hursh, the freshmen were also busy earning money for their class treasury and planning the freshman playnight.

Lynn "Genesis 31:49"

I don't really know where to begin. We have not known each other very long yet it seems like years. I really can't find the words to express my feelings toward you. We have become quite close this last year and I hope we will become closer. Everytime I think that you are going away next school year I really become sad. You have really been an inspiration and a great help to me. Lynn you are a wonderful and dedicated Christian and will go very far. I know you will love Biola, it will be a real inspiration and a wonderful opportunity for you. Lynn even though you said you didn't deserve the for graduation, you did in my eyes. You deserve every but of it and more. I only wish that I could express my feelings on how much you mean to me. It is just impossible for me to find these words. You mean the world to me, but the feelings I have in my heart I can't express. I think if I did I would just cry. We have had some wonderful times together Lynn and I get sad when I stop and think you are leaving and we won't see each other only on vacations I will look foward to those. You will have a wonderful time at Biola and I will remember you every day in my prayers. Please remember me okay? I want for us to write to each other so we can keep in touch.

Well Lynn you have been absolutely wonderful to me this past year. Take good care of yourself. Remember me when you go this fall for I will remember you. I also know you will be a terrific witness to all you come in contact with. God Richely Bless you and always hold you in his loving arms. I have one of the best Christian friends a person could have. The Lord will always hold you in his loving arms. Be Good and remember me back here in Salinas God Bless the most wonderful friend a person can have. All my love always, Kathy

SOPHOMORES

President Percy Serrano and class advisors Miss Sally Hansen and Mrs. Rita Wilkinson discuss sophomore activities.

The sophomore class year has been marked by more responsibility — the privilege of learning how to drive — more school activities — and an increasing social awareness. A very important event has been the purchase of their unique class rings.

With class advisors, Miss Sally Hansen and Mrs. Rita Wilkinson, they sponsored their own playnight.

Sophomore officers Lenor Robles, treasurer, George Barden, vice-president, Yolanda Rhone, secretary, discuss sophomore playnight.

Senior class president Mark Norris and class advisor Miss Wilma Schlentz plan activities for the 1968 graduating class.

SENIORS

The senior class of 1968 can now look at their accomplishments of their final year at Alisal High. With the help of their extremely active advisor, Miss Schlentz, the seniors sponsored the Christmas Ball and the Senior Autumn Party, and they were in charge of the concession stands at the home football games. They set up committees, such as the Senior Gift Committee; the Senior Traditions Committee, which established the senior privileges-Senior Soil, Senior Parking Lot, Senior Dress-Up Day; and the Senior Service Committee, which collected money for the United Way organizations. Moreover, the entire senior class, for the first time, nominated and voted for all candidates in the Senior Poll. Their most important accomplishment, however, awaited them on June 5th in the boys' gym. There the 230-strong senior class of 1968 stood together for the last time to bestow honor on their school, their parents, their teachers, and themselves.

Secretary Emilene Hursh, vice-president Winston Dorris, and treasurer Curt Thompson discuss plans for the 'Give the United Way Crusade', one of the many activities sponsored by the Senior Class of '68.

HS TROJANS FOR ROOTING COMPETITION

This year Alisal High School rooters had their school spirit lifted by the biggest and best rally ever held and Salinas's first Jamboree Pre-Parade.

The best rooters in town showed up for the greatest after school rally. Cheerleaders, songleaders, majorettes, flaggirls, and mascots boosted spirit to an all-time high, and by the end of the rally the Trojans were ready for the big Jamboree.

This year for the first time the marching bands from all three high schools — Alisal, Salinas, and North Salinas — marched in a parade down Main Street before the games.

ASB President Ken Stein, ASB Secretary Carmen Abaya, and Senior Class President Mark Norris represent AHS in the Pre-Parade.

OMPETITION FOR SECOND YEAR

"Our winner this year is a repeat. . ." and with those words, everyone knew that the mighty Trojans had won the Rooters' Trophy again. Those mighty Trojans — doing everything to promote spirit — noon rallies every day of the week of the big event, the hard work Mr. Lee's art class put into making the many banners and posters used for exciting stunts, and most of all, the hard work the cheerleaders and songleaders put in. It all paid off the night of the big Football Jamboree. With the largest and most spirited section, the Trojans very well deserved to win. For after all, "We've got the spirit. . ."

SANDY WALDERON IS HOMECOMING QUEEN FOR 1968

Mr. Kearney congratulates the new queen.

Friday and Saturday, November 17th and 18th marked the days of Alisal's third annual Homecoming. An after-school rally and a dance were held in honor of the candidates. At the Alisal-Watsonville game, the crowning ceremonies were held. The three finalists, Debbie Lindeman, Joanie Breeden, and Sandy Walderon were presented to the crowd and later were joined by escorts Ken Stein, John Freitas, and Winston Dorris. Then the word came: "Alisal's 1968 Homecoming Queen is Sandy Walderon." The presentation of the trophy, the traditional kiss, and congratulations from Mr. Kearney climaxed Alisal's Homecoming festivities.

CHRISTMAS AT HOME

Two couples await Santa's arrival.

"Christmas at Home" was the theme of this year's Christmas Ball. The decorations were typical of Christmas — a huge tree, a fireplace, and big Christmas ornaments suspended from the ceiling. Decorations and refreshments were planned by special senior class committees. Uncle Ben and His Wild Rice provided music for an evening of fun and dancing.

KEITH EIDSON WINS FUZZERINO TITLE

Many young men of AHS participated in the annual Fuzzerino contest, sponsored by the cheerleaders and songleaders. This competition was held for 3 weeks, the length of time each contestant had to grow his beard. During the final week, AHS students voted during lunch hours for the best beard. Final judging was held before the varsity game of the Alisal-Salinas bout. The winners were then announced. The results: Best All-around Beard and Trophy Winner — Keith Eidson; Best Peach Fuzz — Curtis Thompson; Best Groomed Beard — Dennis Maples; Softest Beard — Leroy Martin; Scratchiest Beard — Gary Hughes.

Alisal's annual basketball Homecoming game was highlighted by the crowning of the 1968 Basketball Queen. Vying for the title were seniors Carmen Abaya and Gloria Felipe, and junior Nelly Nerez, who were nominated and voted upon by the basketball squads. Final judging and the crowning was held during the Alisal-Watsonville game. At halftime, the contestants, with their escorts Mike Wong, Kenneth Stein, and Jesse Bolante, were presented to the viewers, and each was given a bouquet of roses. Then the queen was announced. Presented with the trophy, the congratulatory kiss, and the honor of being Basketball Queen of 1968 was Miss Gloria Felipe.

DEPARTMENT PRESENTS "PEAK NIGHT"

Alisal's very first combination talent/variety show was finally made a reality. After two years of unsuccessful attempts with talent shows, "Peak Night" was born. Under the direction of Mrs. Donna Smith, drama instructor, the Drama Department members and interested participants made "Peak Night" come to life. Skits, comedy routines, dancing, and singing provided the variety of talent and entertainment. Among the faculty participants were Miss Wilma Schlentz, Miss Dorothy Palmer, Miss Beverly Cotta, Mr. Clark Brandstatt, Mr. Robert Poulsen, Mr. Larry Moore, Mr. Dave Dengler, and Mr. Ken Earp. They, along with other interested students Dorinda Clements ("Nelly Hughes and Today's News") and Roni-Jean Miner and Sandra Thompson ("I Enjoy Being a Girl") helped make "Peak Night" the wonderful, successful, entertaining show it proved to be.

CLASS OF '68 HOLDS "SENIOR CENTENNIAL"

Alisal's Class of 1968 marked a "first" by holding the Senior Centennial. Headed by committee chairman, Julie Begun, plans went into effect on Arbor Day, March 7. On that day, seniors came to school dressed in pioneer day attire and western clothes. After school, class officers planted a magnolia tree in the front of the school. Then a barbecue chicken dinner was served in the cafeteria. The square dancing began at 7:30 with the help of the caller, Bud Edgerton, and his group, the Krazy Shoes. The square dancers performed and taught square dancing to the seniors. It was loads of fun as the seniors and faculty chaperones learned the tricky steps of square dancing. All in all, it was a day to remember. Surely, the future senior classes of AHS will take note of the success of the Senior Centennial.

Billed as a "way to relieve tensions and anxieties," the first car smash in the history of Alisal High School was sponsored by the A.S.B. Participants were charged 10¢ for one whack or 25¢ for three whacks. It was pandemonium and laughs as hammers were swinging in every direction. The beat-up Studebaker was proof that the first car smash was one of the best of the noon activities offered.

GRIDSTERS STRUGGLE THROUGH RUGGED SEASON

Displaying fine passing, brilliant running, and fierce blocking, Alisal's varsity gridsters battled through a rugged 1967 schedule. Coached by Chuck Filice and Bob Napoli, the Trojans struggled to a 3-5-1 overall record and a 1-5-1 Monterey Bay League record. The season started on a happy note as the varsity crushed Hollister 20 to 13, followed with a close win over McClymonds. But when league play started, the competition toughened and the Trojans lost five straight games. A tie with Monterey broke the losing streak. Alisal's gridsters ended the season by capturing the Homecoming game 21 to 13 over the Watsonville Wildcats.

Receiving league honors were Bob Echeveria, Mike Hoskins, Warren Lee, and David Pusley. Fullback Echeveria was named All-League for his fine offensive play; he was also named the MBL Back of the Year and the Golden Helmet Award winner for the 1967 season. In addition he was named to the All Central Coast League High School Football Team. Center Hoskins was also named All-League for his offensive play; this was his second year in a row to receive this honor. Middle safety Lee was named All-League for his brilliant defense. Pusley received Honorable Mention.

Matching hard competition with fine offense and tough defense, the Alisal Troyers came up with a piece of the Monterey Bay League crown. The Troyers shared it with the Salinas Cowbabes and the Monterey Toreababes. The Monterey Bay League record chalked up by the Troyers was an outstanding 4-1-0 record; the over all season record was 4-3-1. Their wins included games over Salinas, North Salinas, and the Homecoming game against Watsonville.

League honors were numerous among the Troyers. All-Leaguers were Carlos Cali, tackle; Albert Navarrette, linebacker; Wayne Powell, end; Orlando Valencia, halfback; Danny Villarreal, halfback; and John West, center. Honorable Mentions were Bobby Basquin, halfback; Ron Romines, safety; Ron Stefani, quarterback; and Mike Wong, tackle.

JV'S AND LIGHTWEIGHT RESERVES BATTLE TOUGH GRIDIRON COMPETITORS

Frank Urtaza sweeps the right end behind a shield of blockers.

The lightweight reserve and junior varsity football teams found a highly competitive season in '67. The squads met a mighty onslaught in this year's league play, but spirit, drive, and excellent coaching kept them tough competitors.

The reserve team benefited from the expert coaching of Don Lucero and Larry Moore. Coach Lucero found some first-class material for the line in Jimmy Taylan, Steve Diaz, Frank Cedillo, Vic Ramirez, and John Shumaker. Backfield Coach had valuable players in Fortino Banda, Albert Mazzuca, Ronnie Harris, and Bill Burnett. A superior defensive team found outstanding players in Ed Begun, Carmon Samples, Larry Borges, and Greg Farrar.

Alisal's reserves finished the season with a 2-6-1 record. The most impressive game was played against Seaside. The reserves were playing inspired football. Several interceptions, fine defensive playing, and a charged-up offense sparked Alisal to its 13-6 victory.

The Alisal JV's met tough competition in compiling their 2-6 record.

Headed by Coaches Paul Nava and John Curtin, the team produced several fine personalities. The offensive unit was piloted by captain-quarterback Danny Rocha. He was the most outstanding player on the team and his quarterbacking led the team to an upset victory over Watsonville. Alex Gomez, star offensive and defensive halfback, was the most consistent man on the team. Captain-halfback Frank Urtaza was the most outstanding JV pass-receiver. Vincent Lopez, guard and center, was said to be the best interior lineman on the team.

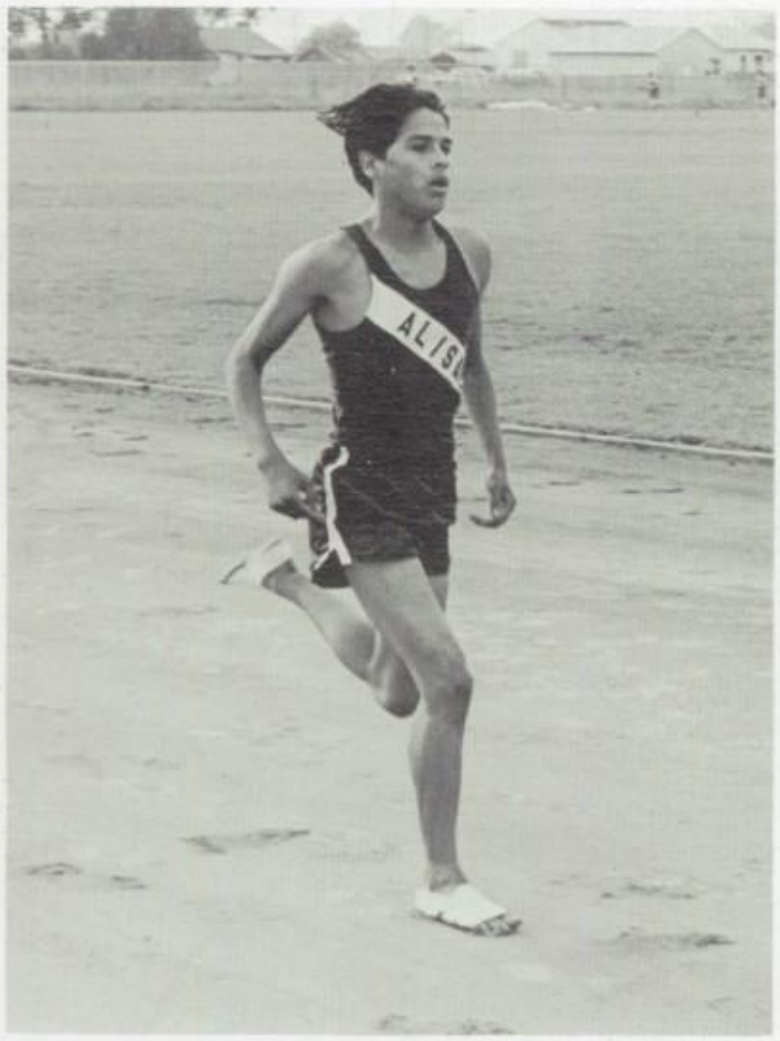
TROJAN HARRIERS ARE OUTSTANDING IN MBL CIRCUIT



Raul Rede, veteran harrier and two-year All-Leaguer, sparked the AHS varsity squad.

Alisal's cross country harriers had an outstanding 1967 season in the MBL circuit. The Trojan runners finished second in the league, as they fell eight tallies behind Watsonville, and the strong AHS JV runners ended up on top.

In the all-city clash, AHS's leatherlungers ran over Salinas and North Salinas to capture the Salinas City Championship in both varsity and junior varsity divisions.

Another highlight of the season was the third annual Alisal Invitational, which featured runners from ten schools. Alisal's varsity finished second, again to Watsonville, while the JV's captured first place.

During the regular season, the Trojans runners chalked up big wins over Monterey, Santa Cruz, Seaside, and previously unbeaten Watsonville to finish their dual meet competition on a perfect note.

Spearheading the squads to victory were Raul Rede, Pete Hursh, and Mike Casarez, who were named All-Leaguers.

Steve King shows much strength as he does an iron cross on the still rings.

Alisal gymnastics began early this year with the exhibition team putting on many fine performances. Their performances preceded the many dual meets of the gymnastic team. Alisal gymnasts displayed excellent form in all events and took most of the meets. Consistently fine performances were given by both Steve King and Bill Rykowski on the still rings. Coach Charles Clark was generous in the praise of his squad and their achievements during the season.

TROJAN BASKETBALLERS HAVE BEST SEASON IN THREE YEARS

Although the Trojans basketballers had the best varsity cage season in the 3-year history of AHS, they still finished last in league competition. The cagers ended up with a 6-17 won-loss record for the year, and a 2-12 record for the league.

Coached by John Rowland and sparked by Frank Martinez, the league's second leading scorer, the team had many exciting contests and a few much-awaited victories. Perhaps the sweetest victory was that over cross-town rivals, the Salinas Cowboys. That thrilling game ended in a 60-51 win for Alisal. The Trojans also posted big wins over Live Oak, Mora, Carmel, and Soquel.

The Martinez brothers, Frank and George, and Jim Huff had especially fine seasons. Frank Martinez finished with a 18.8 average, while Huff was right behind him with a 11.2 average. George Martinez ended up with a 6.5 average. Others contributing greatly to the team's efforts were Carlos Ballesteros, John Barrientos, Mike Mazgai, Jack Osborn, and Curtis Thompson.

HAVE PEAK SEASON; N LEAGUE PLAY

In three years of coaching the Troyer basketball team, Coach Pat Steele has yet to come up with a championship team. This year it looked as if he and Coach Larry Moore had hit upon the right combination as the Troyers were tied for first place until the last two games. They dropped the final contests to Soquel and Watsonville. Thus, the Troyers occupied an outstanding third place spot in MBL standings with an 8-6 won-loss league record.

The Troyers split games with both cross-town rivals, the Salinas Cowbabes and the North High Norsemen; the league champions, the Santa Cruz Cardlets; and the Soquel Squires. The Homecoming game was a heartbreaker for the Troyers as they lost to the Wildkittens 61-58 after three over-time periods.

There were two All-leaguers this season, Bobby Basquin and Mark Huff. Basquin, the number one scorer in the MBL lightweight division, ended the season with a 16.8 average; Huff, number six in the scoring bracket, ended the season with a 13.0 average. Receiving Honorable Mention was Felice Bomactao. Other outstanding players included Tom Luna, Percy Serrano, Danny Villarreal, and Johnny West.

JUNIOR VARSITY HOOPSTERS BATTLE ROUGH COMPETITION

The Junior Varsity hoopsters of Alisal had a rough time battling through M.B.L. cage competition. A strenuous schedule faced the J.V.'s but the team, with the fine coaching of Arthur Gilbert, pulled through to compile a 4-10 won-loss record.

Bob Geissler was selected as the team's Most Valuable Player, while Ron Stefani was chosen as the team's captain. Also contributing to the team's efforts were Danny Cunningham, Steve Jaurique, and James Moree.

The most trying game of the season was played against Salinas High. Entering the fourth quarter, the team was trailing by one point, but a seventeen point scoring spree by Alisal's J.V.'s put the team in the lead to win the game, 56-50.

HAVE OFF SEASON

The Alisal C&D cagers found an off season in '67. The cagers had their ups and downs this season; a gallant effort and good spirit kept Alisal moving.

Alisal proved several times that they could move by trouncing Palma in all three games and by beating Seaside in two of their three meets. A 31-1 upset over North Salinas in a practice game showed that Alisal was willing to play ball.

The team, headed by coach Arthur Gilbert, produced several fine players in Percy Serrano, Bobby Martinez, Conrad Pablo, and Gary Fleming. Most of these players will be seen again next year. Overall top scorers were Serrano and Martinez. Some excellent ball handling was shown by Ortiz and Martinez on the rebounds and Croci and Juneau on the floor.

The whole team gained invaluable experience and fine playing throughout the season was exhibited by every player.

FINE INDIVIDUAL PERFORMANCES HIGHLIGHT WRESTLING SEASON

Luther Norred attempts to break his man down to the mat.

Although coaches Paul Hodgins and Don Lucero gave fine instructions, the Trojan grapplers did not experience a successful season. Overall team scores were not impressive, but fine individual performances made the season exciting. The varsity wrestling team ended with an overall record of 3-6-0 and a league record of 1-6-0. The lone league victory was posted over cross-town rivals, the Salinas Cowboys, with the score of 25-21. The other two wins were practice meets with Carmel and Live Oak. Outstanding varsity matmen were Eugene Blakeman, Luther Norred, Mariano Pacquing, Ted Uchida, David Yvarra, and Roger Zardo.

The junior varsity grapplers did slightly better than the varsity matmen in league competition. They ended the season with a satisfactory 2-5-0 league record. The JV's gained much experience this year and, with this added maturity, hope to form a championship team next year.

VARSITY AND J.V. NINE FIND OUTSTANDING SEASON

The Alisal varsity and junior varsity baseball teams had a very good year in '68. Under the direction of Coach Chuck Filice, varsity, and Coach Silas Rambo, junior varsity, the team showed a profitable season.

The varsity had an exciting pre-season as they had their ups and downs. But behind the shut-out pitching of Leroy Martin, the Trojans whipped cross-town rival Salinas High School by a score of 3-0. Dave Pusley was responsible for all of the runs in the league opener as he had two RBI's, and he crossed the plate himself.

The J.V. squad, staffed mainly by novices, also had their trials and tribulations during the past season. Behind the hitting of Geno Favero and the entire team's fielding, the Alisal J.V.'s managed to offer rough competition to all opponents.

AHS RAQUETEERS PLAY THROUGH HEAVY SEASON

Coached by Carl Sundgren, the AHS raqueteers played a long, heavy schedule, often with three or four matches a week. The team was comprised of seven netmen; four were returning lettermen. In singles competition, outstanding performances were given by Steve Diaz, Belvin Louie, Danny Wilson, and Mike Wong. Doubles teams were Louie and Wilson, Diaz and Wong, and James Adamson and James Davis.

The Alisal linksmen, under the direction of Coach Robert Carter, put on a fine display of golfing throughout the entire '68 season. The team, in spite of several losses, showed spirit in all of their M.B.L. matches.

Returning lettermen Fred Edu and Don Word scored near par on most of the M.B.L. greens. Although Edu and Word were the only lettermen on the team, there were many promising novices, including Lee Jackson, Lyman Knudtson, Max Bagget, Calvin Carter, and Terry Tidwell.

The aquamen of Alisal had a rough time seeing their way through M.B.L. competition. Although it was a trying time, several of Alisal's individual competitors pulled through.

Bob Gowin, 100-yard freestyle specialist, averaged one minute in his race. He captured the school record earlier in the year with a 59.6 time. The 400-yard freestyle relay team, comprised of George Easton, David Nelson, John Smoot, and Bob Gowin, also did exceptionally well. Easton and Nelson were also varsity notables in their events. In the limited competition, Jeff Smick captured many firsts in the 100 and 200-yard freestyle. Mark Schmidt, also lightweight, had many firsts in the 50-yard freestyle. Lance Dong, lightweight diver, scored many 8's and 9's at Carmel, with 10 being perfect.

Miss Minnie Drewes

TROJAN '68 DEDICATED TO MISS DREWES

The yearbook staff is proud to dedicate the **Trojan '68** to Miss Minnie Drewes, a woman who has guided and helped the students of Alisal High School with wisdom, understanding, and foresight.

Miss Drewes came to Alisal High School in 1965, when the school first opened. For three years she has served in the capacity of Dean of Girls. She has counseled students, has supervised numerous dances and games, and has had an active role in district affairs.

During these years, too, Miss Drewes has instilled in the students the desire to learn, the strength to work diligently, and the maturity to lead fruitful lives. For all these things, she has won the gratitude and lifelong friendship of all those associated with Alisal High School.

Lynn -

The space here is so small for me to write everything I have to say. You're leaving - embarking on college + life. I'd like to give you the perfect send off, but it's so hard. I'll miss you so much next year - not seeing you cute, smiling face at least once a day. Here no one here for me to talk to in the same). But he's not quite the only in music (which is a fantastic talent and just plain friendly. Your ability to make real good use of it. * letting everything saying "to look with it all" * right again made the world possibly saw in you - well, if he wasn't right there) but also is always there. She's cute, talented, friendly, people feel good is huge - and has a faith in have been times I've felt like a beacon

Lynn- Well here it is you are graduating. I really don't want to see ya go but the best has to go some time. I have really had fun this year with you, not only at school but the church as well. I hope everything is O.K. with you and "Rusty". I'm gonna miss ya alot in class next year but I will get over it (HaHa). I hope to when you go you will succeed. Well I guess I had better go now. I will really hate to see ya go but good luck & may God Bless you.

Love ya '70'

ACKNOWLEDGMENTS

The **Trojan '68** staff owes many thanks to many people who have given unselfishly of their time to the production of this, the third yearbook of Alisal High School.

Deepest thanks go first of all to Mrs. Rita Wilkinson, the advisor of this publication, for many overtime hours she spent proofreading copy and checking layouts. Many, many thanks go also to Mr. Darrell Dodds, the yearbook representative from R. Wallace Pischel, Inc.; Mr. Gene Jones and Mr. Hurl Swartz of Swartz Photography; Green's Camera Shop; Mr. William Kearney, AHS principal; and all the faculty members who allowed staffers to miss class time in order to supervise production and meet deadlines.

Thanks are also in order to Staedler's Studio for the rogues gallery pictures and Luck's Photography, Cook's Photography, Swartz Photography, and Dolly's and Bob's Photography for the senior portraits.

The staff is also deeply grateful to all the merchants who purchased advertising in the **Trojan '68.** Without their support, this yearbook would not be a reality.

As editor-in-chief, I owe my very warmest thanks to my staff: Iren Domalaog, business manager; Esper Guanzon, classes and faculty editor; Anita Jorvina, organizations editor; Pat Ramos and Vicki Cole, activities co-editors; Belvin Louie, boys' sports editor and photographer; Rosie Halcon, girls' sports editor; Donna Langston, advertisements editor; Hector Lee, art editor; Ricky Moore, photographer; and Jack Hanks, fund-raising chairman. I'm also grateful to the various section assistants, especially Alex Albano, Edgar Begun, Lorraine Escobar and Davelene Benitez. Each member of the staff has worked many hours after school in order to meet deadlines and make this yearbook the best ever. For this, I will always be thankful to my staff.

It's quite a task putting out a yearbook, but I think the staff has met the challenge. With the help of many, many people, the **Trojan '68** staff has succeeded in capturing the highlights of the school year. So, once again, many thanks to the many people who have helped the yearbook staff fulfill its obligations.

Lynn,
I have found a girl that deserves the best that anyone could give her. She is as near perfection as anything I can find. She makes a person feel that he is worth something and could amount to someone. But he cannot have her because he cannot match her in any way.

God Bless you
Lynn Huff

Lynn,
You're really a girl who deserves alot. God Bless ya and be good. Good luck,

I can't think of anything to say so I'll just express my feelings: I'll always love ya sincerely. Just remember there's always some love and help you; In this case it will be for each other and a lot of understanding. We have a lot in common. I pray that it stays that way.

Love always

Lynn,

Well, the year's almost over and it's been fun to be sure. You're a wonderful friend and a sweet person. I wish you all the happiness and success you desire. Best of luck in everything you do; although I know you won't need it. You have a lot going for you so keep up the good work!

Remember, don't cut your bangs! Don't forget to write and I won't. I've really enjoyed your company where-ever we've gone or been. To bad we didn't go to the same schools. [North Highs BETTER!] We would of had a blast I think if we would of been going to the same schools—huh? (I think I just repeated myself - but too bad) Maybe we can get together during the summer months & maybe I could stay with you when I go to Biola - maybe? It would be fun. Sorry about the crummy handwriting but thats the breaks. Man, I've almost filled up the whole page. Well have fun this summer, keep cool and "hang tight".

Love ya,

Lynn,

I don't know how to begin, even though I haven't known you for long, it seems like years. You mean the world to me Lynn and every time I ~~hate~~ think of you going away next year, it makes me very sad. We really haven't gotten very very close to one another, I guess because we haven't had the change to see each other that much.

It has been fun knowing you. I will miss you since I haven't had you for a friend to long.
